

THE TENT MEETING.

Large Crowds Continue to Hear Evangelist Strouse.

The afternoon meeting at the gospel tent Wednesday was foreed with a fair attendance. The opening exercises were conducted by Mr. Marshall. Evangelist Strouse called on Rev. Mr. Sheppard for some remarks. He discussed on the text: "I am God, Almighty, walk before me, and be thou perfect."

"Be thou perfect, perfect faith, love, obedience, patience, peace and joy," said the speaker. "This requires self-denial, complete consecration and perfect resignation to the divine will. As a result the divine fullness flows in and works out for all the perfections of the Christian character."

Several bright testimonials followed and much joy prevailed in the meeting. Mr. Strouse also made some remarks on the perfection of God's people. "Usually God's people are perfect in suffering," he said. "This is taught by the Scriptures. 'Whom the Lord loveth, he chasteneth, and scourgeth every son he receiveth.' God's people are perfected by persecution. 'Blessed are ye when men shall persecute you.' These conditions and influences necessitate prayer and watchfulness. Some of the brightest characters have come up through great tribulation."

The song service in the evening was conducted by Mr. Aycock. A new hymn book was introduced, Revised No. 2. The selections were choice and the book will gain popularity. The usual introductory services being completed, Evangelist Strouse proceeded with the Bible reading as follows: "For four hundred years the Israelites dwelt in Egypt, they marched through the wilderness, and crossed the Jordan into the promised land. This illustrates very clearly the various conditions of the sinner in coming to God. Sinners are in the land of bondage, their condition is miserable, many of them commit suicide."

"Four millions of people crossed the Red Sea between walls of water. The line was twenty miles long. The same God who divided the Red Sea is here to-night, and he has power to forgive sins. During the march through the wilderness, God gave them quails and manna. God led them up to Kadash-barnea, which means holiness. God said to the Israelites enter the Holy Land. He says to you enter the land of holiness. Joshua and Caleb spied out the land, and felt sure they could subdue it. The people wanted to stone them. To-day the people would destroy, if they could, the people who promote holiness by testimony and example."

"The carcasses of the rebellious lie in the wilderness, but Caleb and Joshua entered the Holy Land. God says to you, enter in. Some say 'I do not believe in it.' Others say, 'I cannot keep it.' It will keep you. Some make false reports about this holiness. God will curse every man that tells holiness. The Israelites conquered Jericho, and can conquer all things. Will you enter the Holy Land to-night? Unbelief kept the Israelites out, it will keep you out."

A number of testimonials followed. Fifty-three have been sanctified this week.

LAST NIGHT'S SERVICES.
The tent meeting last evening was of unusual interest and power. The long service was especially profitable. Though somewhat cool the audience was not diminished.

After the introductory exercises Evangelist Strouse spoke as follows on the parable of the talents. "If you are going to heaven it will be because of your service. Going to heaven is the biggest job you ever undertook. Some go to church for their personal profit, and no service in it for God. Going to church is not serving God, because the devil goes to church. To render acceptable service we must feed on the Word and be given much to prayer. People in the church are going to hell because they don't read their Bibles. Read your Bible. Let your child have a new Testament. Keep out of hell; grow in grace by reading your Bible. I used to think every church member was a Christian. No man is a Christian who has no blessing at the table or no family altar. Pray in your closet but pray also before your family. Always pray when you meet others, and you will not have so much time to talk about your neighbors. Pray without ceasing, if you want to grow in grace. Nobody gravitates into heaven. Heaven is gained by consistent effort. Join the Holy Band and go to work. What are your churches doing in Newport News? Eighty-eight saloons here. Some of you are too busy to do such work. Hell will be too rough for you, with all the vagabonds and cutthroats. Have you got religion enough to go into the fight? I have more regard for the saloon keeper than I have for the church members who drink their whiskey. Serve the Lord with a pure heart."

A number testified to the experience of holiness. An altar service followed, and several knelt as seekers. Mr. Strouse gave some excellent advice, and the meeting closed with much joy.

"Fra Diavolo" Well Sung.

"Fra Diavolo" was sung to a large and thoroughly appreciative audience at the Buckroe Casino last evening, by the Packard Opera Company.

Mr. Ganor, in the title role; Mr. Holmes, as the King's brigadier; Messrs. Walker and Stout in the comedy parts and Miss Gilman as Zerlina repeated former successes in their respective characters.

To-night, tomorrow night and the matinee tomorrow "The Mascotte" will be given. The Casino's season closes with tomorrow's performances.

TIED IN THE NINTH.

NEW YORK, Sept. 14.—The locals made a rally in the ninth inning today and tied the score, after which the game was called on account of darkness. Bad fielding was responsible for most of the runs scored. Wright, formerly shortstop for the Washingtons, has been signed to play third base for the home team. He will report tomorrow. Hardesty has been released. Attendance, 230.
